How many sausages are left?</p> <p><u>Counting EVERYTHING!</u> Maybe the number of lamp posts on the way to school, or steps taken to get into bed. Counting aloud forward and backwards. Get your child to help you cook - measuring ingredients and sharing food out.</p> <p><u>Knowledge and Understanding of the World</u> Help your child to understand the routines of their school day by talking to them about what they have done during the day. Encourage your child to understand their past and present for example relationships of aunts, uncles, grans and grandpas. Talk to your child about - where they live, the name of their road, who their neighbours are.</p>	<p>We believe in ourselves.</p> <p>We all learn in our own way and in our own way.</p> <p>We use our own words to talk about how we are feeling.</p> <p>We can cope with the changes in our lives.</p> <p>Our feelings can show how we are feeling.</p> <p>Our school is a safe place to be.</p>
<p><u>Reading at home</u></p> <p>We want to encourage a passion for reading and books. Make sure you read with your child every day. Your child will bring home two storybooks each week.</p> <p>As their phonic knowledge develops, an additional early reader/ decodable book will be sent home.</p> <p>Please ensure that reading books are brought to school every day in their book bag so that your child does not miss their book change day.</p> <p>Bedtime is a fantastic opportunity to share a story with your child each night.</p> <p><u>Don't forget to visit your local library where you can choose from a whole range of reading material.</u></p>	<p><u>Physical Development</u> Go to the park and have some fun! Explore what our bodies can do. "How high can you jump?", "How fast can you run?", "How high can you stretch?" Improving smaller movements like pencil grip by using small construction toys or play operation!</p> <p><u>Creative Development</u> Get messy at home, get out the paints, chalks and have some fun! <u>Role-play</u> – remember, you can turn anything into a prop. Singing, dancing and making music.</p>
