Comments

I feel more confident for my child Attending at West Hill Primary School. The Staffs are very good and kind.

I wish I knew more about the metrics the school has in terms of academic performance, and I am very happy about the new provision of after school care, although anxious that it will end up being temporary given the lack of demand

My daughter really likes Mr. Hilliard, Vanessa, Angela. He always says only good things about them. Thank them for supporting my daughter.

I think some teachers/staff are not aware of the impact their language may have on a child

Good school and satisfaction

separate recorder and trumpet concerts.

Y4 are really keen to go on a school trip this group haven't been on a school trip since early years while all other classes have been. There are lots of free things just ask for help from parents.

communication would be best via one channel or on all the channels together but not some info on twitter and some dates on the news letter. Texts come often last moment

I as parent like the school so does my children.

Nice and friendly school, teachers and staff as well, we like this school
